

Why NCI Membership?

Turbocharge your investment in Performance-Based Contracting™

Membership connects the dots between training and implementation

You've invested in NCI Performance-Based training, certification, tools, and instruments. Now what? NCI membership is the natural next step that helps you stay on top of new methods and processes to keep your company on the right path to becoming a Performance-Based Contractor. Here are just a few membership benefits:

- Access to hundreds of downloadable technical and sales forms, procedures, brochures, tips
- Live toll-free support
- Exclusive online members-only discussion forums
- NCI Bucks™ live and online training incentive program
- Member Rewards vendor partner rebates and discounts
- **NEW:** ComfortMaxx Air Cloud-based Software
- And so much more ...

Full NCI Membership:

Just \$100/month

We've simplified membership and added more value than ever before. Our full membership includes:

Live Support, Lead Generation, Software

ComfortMaxx Air™ -- Cloud-based airflow testing software for all your certified employees. Unlimited users and tests. \$95/month value.

Online training tracker – Comprehensive tracking of employee online and live training. Member discounts on all NCI training

Unlimited toll-free support – (800-633-7058) Mon. – Fri., 8 AM to 5 PM EST, NCI support is available in all areas of your company: technical, marketing, sales, or business.

Find a certified professional – Lead generator on NCI's exclusive consumer site (www.myhomecomfort.org). This includes premium listing containing contact information, certifications held, website link, services offered, and market area served.

PerformanceTalk email discussion forum – This group has the combined wisdom of more than 2,000 member participants. Ask a question, get help, offer advice, and find out what other members think on any given subject.

Downloadable Tools and Knowledge Libraries

i-NCI tools and applications – Featuring digital sales and technical tools optimized for tablets and smart phones. Our Home Comfort Analysis and other i-NCI specialized tools are available only to NCI members.

Technical forms, procedures and tools library – Download the latest forms, charts, how-to procedures, as well as manufacturers' engineering data.

Sales and marketing library – Members can download direct-mail pieces, consumer sales literature, advertising campaigns, and much more. All are all easily customizable with your company logo and editable fields.

Newsletters with years of archives – Monthly e-mail newsletters packed with technical, sales, business, and marketing articles written by NCI experts. Also includes highlights of latest downloads, training schedule, upcoming events, and more.

Article library – Members can access a searchable database of hundreds of informative articles covering technical and business topics.

Logos and Artwork – Access high resolution NCI logos for use on your website and printed materials.

Discounts and Rebates

Live and online discounts – Get 5% off live training and certification. Save even more with online training.

Member Rewards program – Earn rebates, receive discounts, and take part in exclusive purchasing programs with our vendor partners. Your savings alone can easily pay for your membership.

ContractorsIMAGE™ marketing services – Quality, knowledge, and performance-based themed marketing pieces and forms set ContractorsIMAGE apart: All at special, discounted prices for members. Members also earn NCI training bucks on all purchases.

Conference and training discounts – Members qualify for discounts toward all meeting and training registrations, including NCI's annual Summit.

NCI Training Bucks program – Earn 5% in NCI bucks on training, conferences, and marketing/print service purchases. Use bucks toward training and events. They never expire!! They carry over year-to-year with NO penalties.

NEW: Pre-purchase additional NCI bucks at a 5% discount once per year. Ask us how!

NCI online store – Members receive a minimum of 2% discount on all items in the NCI store.
