

Modernizing Payments for HVAC Contractors

NCI members have access to digital payment tools designed to simplify operations and improve cash flow.

The Challenge

Running an HVAC business means balancing installations, service calls, seasonal demand changes, and customer expectations. Many contractors still rely on paper checks, delayed invoices, or follow-up calls that slow everything down.

The Solution

Service First Processing helps contractors eliminate these barriers:

- Digital Invoices Sent Immediately
- Credit Card & ACH Payments Accepted
- Secure Payment Links for Fast Approvals
- Automation that reduces manual billing and collection tasks

Exclusive Benefit for NCI Members

- ✓ NCI Bucks
- ✓ Dedicated U.S based support
- ✓ Free & Discounted Loaner Equipment
- ✓ 60 Day Processing Trial
- ✓ Access to Financial Automation Tools

NCI Members are saving on average over \$12,500 or 13% a year in processing cost before the NCI Bucks distribution!
